

Notice Related to Private Security Agencies.

In continuation to this office U.O. No. 205/OPS-3 dated 4.10.2011 and 237/OPS-3 dated 25.10.2011 regarding Notice Related to Private Security Agencies.

It has been brought to the notice of this office that many Private Security Agencies have come up particularly in the cities of Gurgaon and Faridabad and some other districts in the State of Haryana which are engaged in the business/trade of providing security guards/supervisors to various private financial agencies and commercial establishments without valid licenses from the designated "Controlling Authority". These agencies are requested to submit their documents for license duly completing all the formalities (available on the website of Haryana Police <http://haryanapolice.gov.in>) otherwise necessary action will be taken to close their business.

In meantime, all District Police Chiefs (Commissioners of Police & Distt. SsP) in the State are, however, informed that the last date for submitting necessary documents for license to run the business of Private Security Agencies is extended upto 31st January, 2012.
